Operational Guide

In Game

SCP-207 can be found in [Bulletproof Locker №7s](#) around the map, which require a [Keycard](#) with both [Containment Access 2](#) and [Checkpoint Access](#) to open.

While equipped, SCP-207 can be consumed by pressing [Left Click](#). Afterwards, the player will be given the [SCP-207 Status Effect](#), and will recover 30 HP. Using [SCP-500](#) will completely cure the player of the effects of SCP-207. Players can drink multiple SCP-207s to increase its effects. A player can stack up to a total of three SCP-207s.

The speed increase from SCP-207 increases the distance [SCP-939](#) can hear one's footsteps.

If the player uses [SCP-1853](#) while under the effects of SCP-207, they will be given the [Poisoned Status Effect](#). [SCP-207](#) grants a 10% speed boost to the player; two will grant a 20% speed boost; three will grant a 40% speed boost.

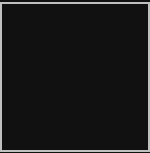

The stats increase for SCP-207 is as followed. The distance section represents how far [SCP-939](#) target can travel before they die.
